

Declarations of Compliance DLS /ELS

RoHS ————— We hereby declare that our product group **Miniature circuit-breakers DLS and Single pole circuit breaker ELS** are compliant to RoHS directive 2011/65/EU and 2015/863/EU of the European Parliament and of the Council on the restriction of the use of certain hazardous substances in electrical and electronic equipment, as well as compliance with the maximum permissible concentration in homogeneous materials.

Doepke Schaltgeräte GmbH hereby declares that all of our **Miniature circuit-breakers DLS and Single pole circuit breaker ELS** are manufactured in compliance with RoHS.

REACH ————— **Miniature circuit-breakers DLS and Single pole circuit breaker ELS**, which you purchase from Doepke Schaltgeräte GmbH, are, by definition of **REACH including Annex XVII**, not to be registered. Chemical substances contained in our **Miniature circuit-breakers DLS and Single pole circuit breaker ELS**, which may possibly be subject to registration, have to be registered exclusively by our presuppliers.

Based on our current state of knowledge our **Miniature circuit-breakers DLS and Single pole circuit breaker ELS** do not contain any substances above 0,1 mass-% per product that are neither included in the "candidate list" (**SVHC**) nor in **Annex XVII**.

The list of SVHC substances is published on the website of the European Chemicals Agency (ECHA) under <http://echa.europa.eu>.

In our own interest and to ensure a high level of safety in our production, we observe the implementation of REACH and its resulting demands closely.
