Function

Optional devices apply as accessories to the main product classes. The DKA 1 is an adaptor for channel generators DKG 1 and DKG 2 of the Dupline bus system. It converts the side-facing interface of the DKG to an easily accessible front-facing interface.

Features

conversion of side-facing interface DKG 1 or DKG 2 to front-facing interface, compact design

Mounting

quick fastening to mounting rail, any installation position, mounting to the right of the DKG

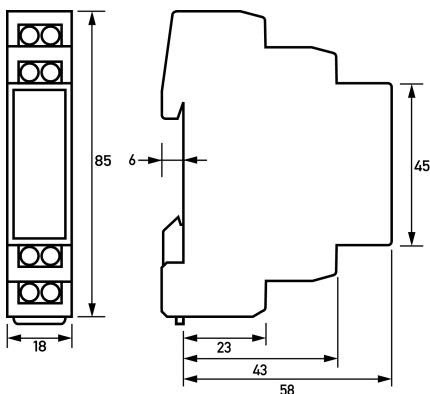

Applications

The adaptor (in conjunction with channel generator DKG 1 or DKG 2) should be used where a more frequent DKG configuration exists.

Technical Data

Technical Data	DKA 1
Series	DKA 1
	DSUB 9-pole
General data description	General data
Housing type	Adaptor housing
Mounting type	Device extension, Mounting rail
Width	17.5 mm
Height	85 mm
Depth	65 mm
Installation depth	58 mm
Width (modules)	1
