

## DATA SHEET

### fuse plug sets

### DSE Do-10

### for load disconnecter Tytan

Article number 09980680

#### Function

Fuse plug sets can be used as accessories for initial or replacement equipping of fuse-switch-disconnectors. #The fuse plug sets of this series are suitable for Tytan II fuse-switch-disconnectors. Your box can be easily installed on the mounting rail and thus be used as a reserve box. #Fuse plug sets of this series are accessories to Tytan II fuse-switch-disconnectors and consist of three plugs, three fitting cartridges and three fuses of the respective variant. The box has a rear bracket for snapping on a mounting rail, which enables it to be used as spare box in a distribution board. # This series of fuse plug sets includes fuses with LED displays, which will start flashing if a fuse is blown.

#### Features

Tytan Do empty housing fitting, reserve box, 3 fuses, 3 fitted cartridges, 3 plugs, one 63 A colour-coded

#### Mounting

Storage case, quick fastening to mounting rail

#### Applications

The components are suitable for use in power supplies to residential and purpose-built buildings as well as industrial facilities.

#### Technical Data

| Technical Data                | DSE Do-10  |
|-------------------------------|--|
| Series                        | DSE Do-10  |
| Utilization category          | gL/gG characteristics                            |
| Colour code                   | red  |
| Socket type can be used       | Do1  |
| Operating voltage (AC)        | 50 V ... 400 V                                   |
| Operating voltage (DC)        | 50 V ... 110 V                                   |
|                               | <b>Display (fuse failure)</b>                    |
| Type                          | LED  |
|                               | <b>load circuit</b>                              |
| Rated current (AC)            | 10 A   |
|                               | <b>General data</b>                              |
| Housing type                  | distribution board housing                       |
| Installation type             | Mounting rail (35 mm)                            |
| Width                         | 54 mm  |
| Height                        | 45 mm  |
| Depth                         | 74 mm  |
| Weight                        | 0.128 kg   |
